Increases in Both Operating and Capital Funding

The 2013-14 Budget provides additional funding for K-12 education.

We are pleased to announce that the Government of Ontario is providing additional funding for K-12 education. This includes an increase in operating and capital funding for schools.

Of the total additional funding of \$1.775 billion for 2013-14, \$406 million is for operating costs and \$1.369 billion is for capital costs.

The additional funding includes a \$170 million increase in operating costs for 2012 and 2013 combined. An additional \$27 million is provided for the 2013-14 fiscal year, a total of \$197 million.

The additional funding also includes a \$268 million increase in capital costs for 2012 and 2013 combined. An additional \$59 million is provided for the 2013-14 fiscal year, a total of \$327 million.

The total additional funding for 2013-14 is \$1.775 billion. This includes an increase in operating costs of \$406 million and an increase in capital costs of \$1.369 billion.

Since November 2007, the Government of Ontario has provided an additional \$600 million for K-12 education.

for the day of the week.

Information on the day of the week can be found on the website of the Government of Alberta.
